

CAMPOS®

Stretch knitted fabric.

AROMATHERAPY

Campos Aromatherapy is a treatment that allows us to apply fragrances to textiles, each with its own benefits.

These gentle scents reduce stress and anxiety, promoting an ideal environment for deep, restorative sleep.

This product lets you infuse fabrics with aromas that offer multiple benefits:

- Lavender: relaxation, calm, emotional wellbeing
- Citrus: energy, freshness, vitality, revitalising effect
- Mint: freshness, stimulation, mental clarity
- Eucalyptus: purification, respiratory relief, cleanliness
- Chamomile: softness, relaxation, stress relief
- Ginseng: vitality, strengthening, mood enhancement
- Jasmine: harmony, sensuality, calming effect
- Rose: softness, emotional balance, delicacy

- Ginger: warmth, stimulation, energising effect

Discover how fragrances can transform your wellbeing! Ask about our aromatherapy treatment and enjoy its many benefits.
